Supporting Students & Graduates

Sports Physio & Performance are based in Thurles, supplying a detailed Range of Physiotherapy, Rehab and Performance Supplies and Equipment. We work closely with many of the Universities and Colleges throughout the country providing materials and equipment for many of the courses. We endeavour to give support back to the Students & recent Graduates of those courses & we have put together some very affordable discounted start up packages to help graduates starting out, in terms of setting up a new Clinic or Rehab room or if you're starting to work with teams. We have detailed these on this brochure. They are suggested Start up Packages and of course they can be tailored to suit your specific needs.

We strive to provide range of support to Students & Graduates

- Support Graduation Days with prize sponsorship
- Presentations and Product Demos
- Dedicated Student & Graduate Webpage with Offers
- Special Graduate Start Up Offers
- Student Group Discounts on Supplies to practice on during your course or for kit on your work placement.
- Taping & Strapping Courses if Required.
- Student & Graduate Competitions via our Social Media.
- Join our mailing list to access further trade offers
- We offer student Internships as an option for your work experience

Website & Phone Support

We have a dedicated Student & Graduate Start up Page on our Website. See all our Graduate Offers in one place. You can set up a trade account easily on the site, let us know what College you are from and we will apply the discounts.

Please give us a call too on 062-77014 and our team can help with any queries and technical support on any equipment you might need. Support in Starting up your facility or advice on working with teams.

Tools of the Trade— Massage Treatment

A reliable couch that you can trust in a busy dressing room and can transport easily is very important when starting out. Durability and weight are the 2 most important features. There are cheaper couches on the market, however this is one of the main tools of the trade for a therapist. For such an important investment its important that it be a top Quality couch that will last the test of time. We have been selling this couch for 14 years and majority still have the same couch they purchased first day.

This couch is being used by lots of the top Sports Physios in Ireland in GAA, Rugby and all sports where it gets heavy usage at training sessions / games 3, 4 times a week. Very strong and durable to stand this test, yet lightweight for easy portability.

The majority of our enquiries & sales of this couch are from word of mouth referrals from therapists who already have one.

Additional First Aid / Trauma Care Bags

Physio First Aid Kit Refills

We recommend the **Advanced First Aid Kit Refill** as an ideal contents kit for your First Aid bag to cover standard First Aid treatment. We also offer a further add on kit to bring it up to a **Physio First Aid Kit** level. This was developed after consultations with Physios with many years experience working with teams of all levels. The additions help to meet the additional physio pitch side requirements that occur.

Also, some first Aid kits come with a few rolls of tape but again from experience and feedback from Physios, the tape in these kits tends to be poor quality & its probably more practical to keep your taping separate to the First Aid bag. We offer a taping starter kit and separate tap bag to accommodate this as well as ideas on other items you may need.

Injury Management –Cold Therapy

When setting out to work with teams its important to have sufficient solutions in terms of Cold Therapy to treat acute injuries after they happen. In most cases there will be multiple players needing Cold Therapy after a game. We have a range of solutions here and a bundle we've created that can manage up to 5 injuries at once.

COLD THERAPY—CCT WRAPS

COLD THERAPY– CRYO CUFF COLD THERAPY SYSTEM

 <p>Cryo/Cuff Gravity Cooler An affordable, effective cold therapy system that is gravity fed. In addition to providing effective cold therapy, the specially designed elastic wraps also apply compression. The combination of ice and compression will dramatically reduce pain and swelling and help facilitate rehabilitation. Once the wrap is filled the patient can disconnect from the unit and will be free to move around. The wrap will stay cold for up to 30 minutes, then the patient just re-connects the wrap and re-filters cold water back in for up to 3 hours of continuous treatment.</p> <p>€59+VAT</p>			 <p>The Cryo/Cuff IC (Integrated cold & compression pumped system) The Cryo/Cuff IC provides both gravity and motorized cold and compression therapy for flexibility of care. An integrated pneumatic pump within the cooler lid provides automated cold & compression therapy, with simplicity of design & ease-of-use operation. Ideal for post-op recovery, trauma and home use. Includes bucket, piping & integrated pump. Choose from any of the wraps listed below.</p> <p>€129+VAT</p>

What the Manufacturers say

Reputable Brands

- We work with some of the Worlds top Manufacturers to provide the best equipment to clinics in Ireland.
- Fantastic back up & support from these Manufacturers

"DJO global are proud to work with Sports Physio Supplies to provide high quality equipment and training to physiotherapists in Ireland "

"Sports Physio & Performance has been our partner and official distributor within Ireland for three years, helping to bring NormaTec's technology to professional and amateur clubs, sports medicine and fitness facilities, and individual athletes of all types. They have a great understanding of the technology and how NormaTec can benefit athletes in their training, recovery and performance in their sport."

"Plinth 2000 have been working closely with Sports Physio Supplies since 2007. We deliver each couch to the customer directly & provide back up support to Sports Physio's Customers"

What some of our Team Customers say

Sports Physio Supplies provided us with all our Physiotherapy supplies for the London 2012 & Rio 2016 Olympic Games. The service was superb, Matt and his team couldn't have been more professional and were great to work with at all times. I look forward to working with them again in the future.

**Aidan Woods –
Lead Physiotherapist
Irish Olympic Team**

Sports Physio Supplies provide a very reliable service and are the nominated Medical Supplier to the Football Association of Ireland for all International teams

"In my capacity as a Chartered Physiotherapist to Cork County Board for the last 11 years I have dealt with many suppliers of Physiotherapy consumables. However in the last 10years it is testament to Matt & his team that I have not used another provider since meeting him. Their personable manner & willingness to provide an immediate service is their biggest quality. I have no hesitation in recommending Sports Physio Supplies to any Allied Health Professional working in this area."

**Declan O'Sullivan. Senior
Physiotherapist Cork GAA**
