Pull Up Bar   Dip Bar   Bench

In a Physio or Rehab setting,choose the Wall Bars for your mobility and stretching, band resistance work, trx mounting etc.

Wall Bars €340 + VAT   Special Offer 15% OFF €289 + VAT

Check your ceiling height first !
- You need a minimum ceiling height of 240cm.
- If the Ceiling is between 240 - 250cm choose the **2 Series** with the shorter wall bars.
- If the Celiing is 250cm or more choose the **7 Series** with the longer wall bars.
Fixing Location
- Ideally mount to a solid wall. If you don't have a solid wall & have a stud partition (less than 24" between studs), please also order the wall bracket pair for use with stud partition walls.
